

قائمة رسائل الدكتوراه

No.	Author name	Thesis	Date
1	Abdalla El-Sayed Morsi	Pathological studies on experimental infestation of Guinea-pigs and other laboratory animals with cercariae of schistosomiasis.	1979
2	Bassiouny Abd El-Hafez Ahmed	Some biological studies on blood parasites in farm animals	1980
3	Osama Mohamed El-Shafai El-Azzazy	Biological studies of the wild rats in Sharkia governorate and its importance to public health.	1981
4	Abd El Monem Ahmed El Meligy Abol Roos	Pathological studies on wild rats at Sharkia province.	1981
5	Mohamed Yosry El-Sokkary	Morphobiological studies on lung worms of equines in Behera governorate.	1981
7	Magdy Mostafa Fahmy Hassan	Parasitological and Ecological studies on the ticks Hyalomma anatolicum suspecies (H.anat. anatolicum and H. anat. exacavatum) the main vector of theileriosis in cattle in Egypt.	1982
8	Mahmoud Abd El-Naby Omar El- Seify	Some morphological studies on the tick Rhipicephalus tubranicus on their hosts and laboratory animals.	1982
9	El-Sayed Ismail Hassan Ramdan	Studies on Acanthchielonema evansi with special references to the distribution organs of the camels and their elimination from the circulatory blood.	1982

10	Nagwa Eid Ahmed	Some biological studies on Eimeria magna in rabbit using electron microscope.	1983
11	Nariman Mohamed Mostaffa Edress	Clinicopathological studies on some parasitic affections in Albino rats.	1983
12	Fikry Hassan Yousef	Study of liver fluke infection in cattle with special reference to methods of diagnosis and treatment together with changes in blood constituents and minerals.	1983
13	Mohamoud Amin Mostafa El-Askalany	Studies on the possible difference between Echinococcus granulosus strains through biochemical analysis of the larval stages and adult stages of the parasite.	1983
15	Hamdy Mohammed Abd El-whab El-Gawady	Some studies on blood parasite (Haemoproteus columbae) of domestic pigeons (Columba Livia domestica).	1983
16	Fatma Aboul Maaty Ahmed Hiekal	Certain studies on Fasciola spp. In Behera governorate with special reference to the molluscidal effect of some plants and chemicals on snail intermediate host.	1984
17	Salwa Mohamed Rashad Abd El-Hady	Biological studies on Babesia equi and a comparative study on the different serological tests before and after treatment.	1984
18	Enas Amin Mohamed Desoky	Identification of antibodies against Fasciola gigantica in natural and experimental stages in snails.	1985
19	Nabil Shokrany Gabr Ibrahim	Echinococcosis and hydatidosis among animals and human being in Minya governorate.	1985

20	Mohamed Galal Abd El-Mohsen Aggour	Further epidemiological studies on the chicken tick (<i>Argas persicus</i>), its role in transmitting some poultry diseases and its control.	1985
21	Tarek Mohamed Ahmed Ewis El- Metenawy	Some Morphobiological studies of lice infesting cattle, goat and camels and their control.	1988
22	Abd El-Meguid Abd El-Meguid Mohamed Derbala	Immunological studies on some nematodes infesting sheep.	1988
23	El-Sayed Rashad Abd El-Magied El- Attar	Correlative experimental pathologic studies on bilharziasis and <i>Cysticercus Fasciolaris</i> in mice and some related fish parasites.	1988
24	Ahmed Abd El- Rahman Mahmoud Zayed	Biological studies on <i>Gastrophilus</i> species infecting donkeys in Egypt.	1988
25	Bothaina Abd El- Aziz Mohamed Badawy	Studies on fowl Cryptosporidiosis in Egypt.	1989
26	Zeinab Mohamed El-Basheir Aly Saied	Preliminary pilot survey on house dust mites in Sharkia government and their relation to Allergic bronchial asthma.	1990
27	Nabila Abd Ellatif Hassan Gaafar	Some experimental studies on <i>schistosoma mansoni</i> in normal and splenectomized experimental animals.	1990
28	Soad Dahab Abo- Yazed Hassan	Further studies on the possible differences between <i>Echinococcus granulosus</i> substrains through biochemical analysis of electrolyte, lipids and other components of the larval and adult stages of the parasite.	1991

29	Mohsen Mohamed Negm-El Din	Morphological and biological studies on some blood parasites of fresh water fishes of Egypt.	1991
30	Ahmed Zakaria Salem	Invitro cultivation of agents of amoebic meningo-encephalitis isolated from water and sewage	1992
33	Amin Abd El-fattah El-Ghaysh	Studies on Babesia spp. Infecting cattle and waterbuffaloes in Egypt.	1993
34	Nasr-alla Moawad Aly Elbahy	Studies on the antagonistic effect of some trematode larvae inside their intermediate hosts.	1993
35	Shaaban Abo-raboh Abu-El Khair	Some morphological studies on the helminth parasites of rabbits	1994
36	Gharieb Abdel- Azeeze Badawy	Some studies on ectoparasites of some marine fish in Egypt.	1994
37	Ahmed Anwar El- Sayed Abdel-Aal	Studies on the protozoan parasites of some wild animals.	1994
38	Azza Mohamed Raef	Role of marine fish in transmission of some parasites to animals and birds.	1994
39	Nabila Mahmoud M.El-Masry	Coccidial parasites of Domesticated Geese.	1995

40	Mona Hemeda Mohamed Khattab	Some studies on the protozoan parasites of fish.	1996
41	Amro Abd-El-Fattah Mohamed	Studies on canine interleukin-8: its biological activities, characterization of antibodies and an ELISA system.	1996
43	Abdel-Razek Youssef Abdel-Aziz Desouky	Further studies on some blood parasites of wild Birds	1997
44	Adel Nabih Morcos	Some studies on helminthes infested dogs	1998
45	Laya Fathy Abd El Hay El- Banna	Studies on yellow grub disease in some fresh water fishes.	1999
46	Nosseur Mohamed El-Sayed	Enteric and tissue protozoa of some wild birds.	2000
47	Ramadan Anwar Mohamed Ramadan	Morphological and immunological studies on certain ecto parasites of some fresh water fishes	2000
48	Fathia Abdel-razik Mahmoud Khalil	Studies on cryptosporidium in sheep & goats	2000
49	Ragab Mohamed Hassan Mansuer	Vaccination trials against Eimeria stiedae in rabbits	2001

50	Nagawa Anwer Helmy	Evaluation of counter-immunodiagnosis of rabbits experimentally infected with Eimeria stiedae	2002
51	Abdl-El-Wahab Mohamed Abdl-El-Wahab	Morphobiological studies on Acarina in birds.	2002
52	Hatem Abdel-Mawgoud Abdel-Mawgoud Shalaby	Evaluation of antigenicity and Diagnostic value of some faciola gigantica antigens	2002
53	Nasr Moawad Ali M. El-Bahy	Parasitic zoonoses transmitted via enviromental objects & food products (meat , milk , fish ,)	2003
54	Sahar El-Wan Rizk Saba	Some studies on parasites encystation of fresh water fishes.	2004
55	Gihan Ebrahim Abd- El-Bar Shagar	Morphobiological studies on enteroprotezoal parasites in fish at abbassa fish pond in Sharkia governorate.	2004
56	Nasser Zeidan Abou Zeid	Studies on toxoplasmosis in sheep and goats.	2005
57	Samy Shawky Mohamed El-Sayed Naser	Studies on protozoa of small ruminants in Sharkia province	2008
58	Moustafa Abd El-Salam Ahmed Al-Araby	Toxoplasmosis in rabbits	2008

59	Dina Mahmoud Ahmed Metwally	Role of inflammatory cells in destruction of schistosoma mansoni schistosomula in mice	2008
60	Asmaa Rashad Abd El-Fatah Abd-Allah	Parasites Encystation in some crustacean and fish.	2009
61	Walaa Talaat Darwish El-Ekiaby	Light and electron microscopic studies on certain parasites of some marine fishes	2009
62	Rania Abdu El-Shahat Abd El-Gawad	Some studies on eel swim bladder nematodes.	2010
63	Amany Mohamed Abd El-Ghany	Parasitological and immunological studies of Anisakids	2011
64	Osama A. Sharaf	Studies on Coccidial parasites in camels.	2013
65	Rania Biomy	Immuno molecular studies on some Eimeria species of chickens.	2013
66	Sameh El Alfy	Further studies on the efficacy of propels on some parasites	2013
67	Eman Ahmed Aly Hassanen	Parasitological and molecular biology studies on gastric nematodes in small ruminants at Sharkia Province, Egypt.	2014

68	Refat Atef Refat Moustafa Ras	The effect of intestinal microflora on the virulence of genetically defined cryptosporidium isolates in mice	2014
69	Mona Mohammed Ibrahim Abd-El Rahman	Immunomolecular studies on buffaloe's Sarcocystis species at Sharkia province	2014
70	Reham Gamal Abu- Alela Anter	Parasitological and molecular studies on some endoparasites in quail and pigeons	2017
71	Asmaa Abou Elabbas Hussien Gouda	Studies on hydatid cysts in some animals " .	2019
