

Zagazig University  
Faculty of Veterinary Medicine  
Department of Clinical pathology

## Academic Programs

Diploma of  
Clinical  
pathology

Master of  
Clinical  
pathology

PhD of Clinical  
pathology

**Also Teaching:**

**The course of Clinical pathology for Undergraduate Students (Fourth Year).**  
**Clinical pathology' courses in 7 diplomas belonged to different departments**

## **Courses of Diploma of Clinical Pathology**

**Advanced  
Clinical  
pathology**

**General  
pathology  
(advanced)**

**Diagnostic  
virology**

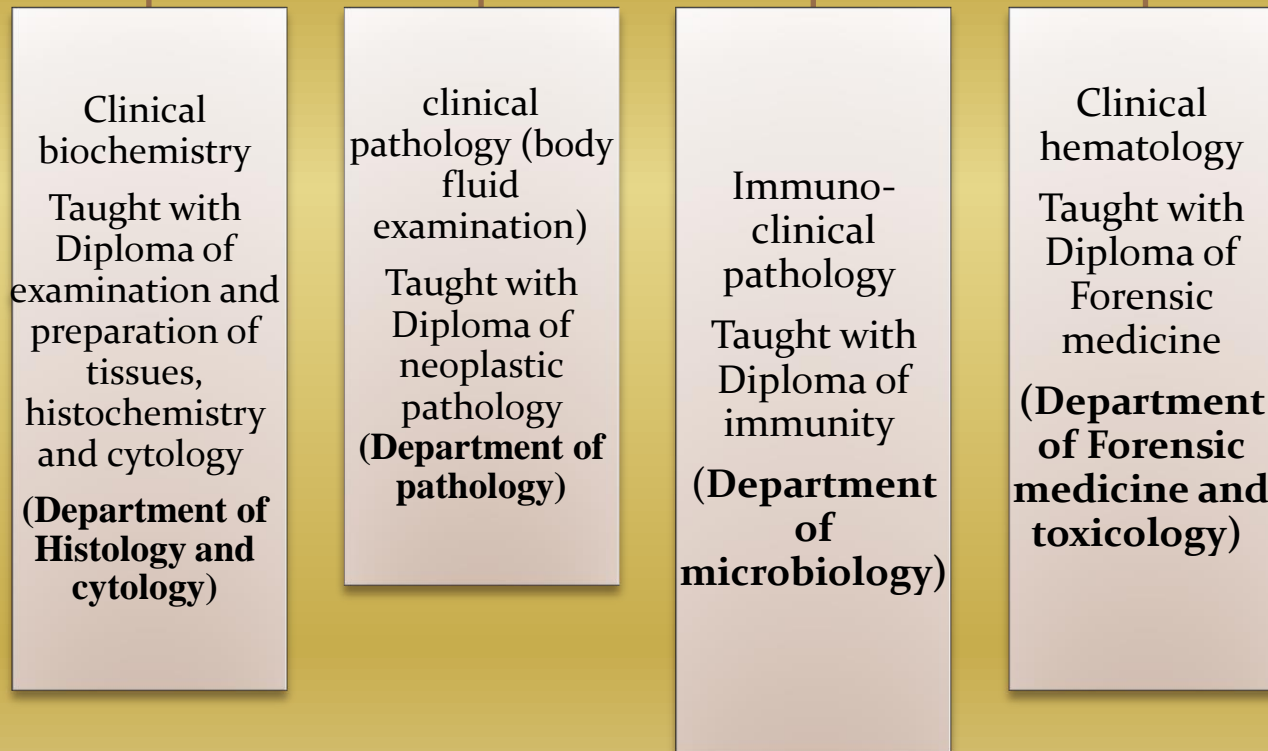

**General  
bacteriology  
(advanced)**

**Clinical  
parasitology**

**Clinical  
biochemistry**

**Chemical  
clinical  
pathology**

# Courses of Clinical pathology taught with other Diplomas in Different Departments

## **Courses of The Master of Clinical pathology**

```
graph TD; A[Courses of The Master of Clinical pathology] --> B[Basic Clinical pathology]; A --> C[Organs functions, acid base balance and urine (87)]; A --> D[Hematology and bone marrow examination (88)]; A --> E[Clinical biochemistry (92)];
```

**Basic Clinical  
pathology**

**Organs functions,  
acid base balance  
and urine  
(87)**

**Hematology and  
bone marrow  
examination  
(88)**

**Clinical  
biochemistry  
(92)**

## **Courses of PhD of Clinical pathology**

```
graph TD; A[Courses of PhD of Clinical pathology] --> B[Basic Zoonoses]; A --> C[Advanced Clinical pathology (86)]; A --> D[Poultry Clinical pathology of (89)]; A --> E[fishClinical pathology (90)]; A --> F[Immuno-clinical pathology (91)];
```

**Basic Zoonoses**

**Advanced Clinical  
pathology  
(86)**

**Poultry Clinical  
pathology of  
(89)**

**fishClinical  
pathology  
(90)**

**Immuno-clinical  
pathology  
(91)**
